

### The Conference Board Holiday Spending Survey

November 2024

#### US consumers are budgeting more for gifts and non-gift items in current dollars

Average Spending Intentions for Holiday Gifts & Non-Gift Items

Based on households intending to purchase holiday gifts and non-gift items. Non-gifts items include food, decorations, wrapping paper, etc. for the holidays, excluding Thanksgiving. Source: The Conference Board

## Once adjusted for inflation, consumers' holiday budgets are still up, but the levels remain low

#### Average Spending Intentions for Holiday Gifts & Non-Gift Items Adjusted for Inflation

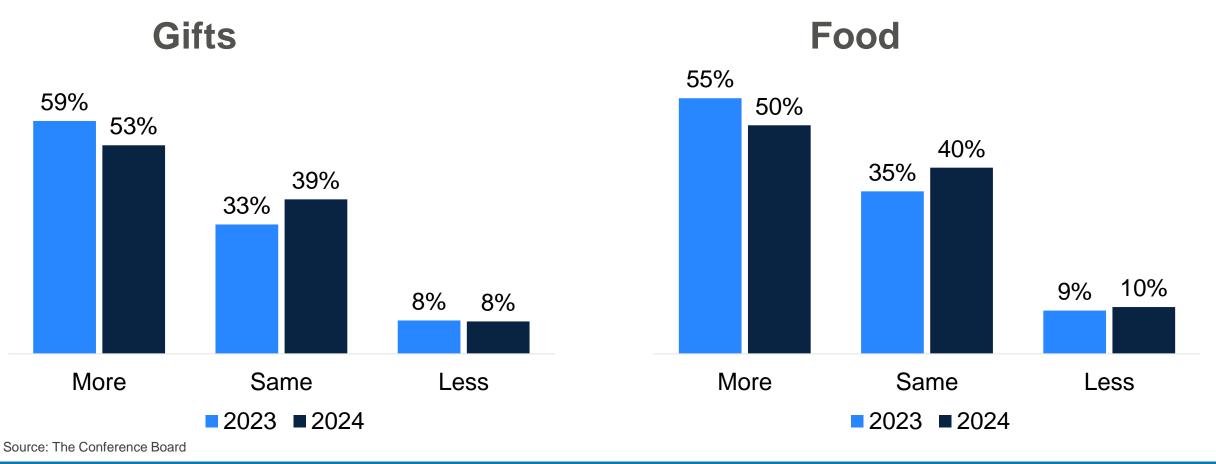

Based on households intending to purchase holiday gifts and non-gift items, adjusted for PCE Index excluding energy in September of each year Non-gifts items include food, decorations, wrapping paper, etc. for the holidays, excluding Thanksgiving. Source: The Conference Board

Most consumers expect the costs for holiday gifts and food to be higher than last year, but slightly a higher share expects price to be stable

Compared with last year, do you anticipate the cost of holiday gifts/food will be:
